Information on traffic patterns for the Christmas Parade on December 5th!

Traffic patterns for theWashingtonville Christmas Parade

The 5th Annual Washingtonville Christmas Parade and Tree Lighting Ceremony will take place on Saturday evening, December 5th beginning at 6pm. The Blooming Grove/Washingtonville Chamber of Commerce expects a large crowd in The Village Square and along the parade route.
The parade will line-up on Decker Drive off Ahern Blvd. beginning at 5pm.
From 5pm to 6pm traffic will be limited to one way on Decker Drive from Somerset Drive to Ahern Blvd.
Rt. 94 will be closed at 6pm as the parade leaves Decker Drive and makes its way in to the village, and ends at the Washingtonville High School parking lot. All side streets off Rt. 94 will be closed at 6pm to allow the parade to pass. Once the parade passes, Rt. 94 along with the side streets
will be reopened as soon as it is safe to do so. We ask the patience of residents and visitors as traffic will be restricted in the downtown area from 6pm to 7pm. Parade participants leaving the high school parking lot following the parade will be asked to exit westbound on Rt. 94 as to avoid traffic congestion in the center of the village
Those attending church services at St. Mary's are asked to exit north on Rt. 208 and use secondary roads to avoid traffic congestion in the center of the village.
The Chamber is working closely with the Washingtonville Police Department and local Fire Police to make this a safe and enjoyable event. Please follow their directions.
