RFP-YB04-23 2024 Funding for Youth Team Sports

Addendum A

Dear Vendor:

This amendment is to address questions for the above-mentioned RFB:

1. Q: Board of Directors list: right-hand column, "Specify: Affiliation or Youth under age 21". Can you give some examples? I'm not sure any of our board members have this type of affiliation.

A: "Affiliation" means what other organizations, nonprofits, clubs, etc. the person may have in connection with the program. Examples could include, but are not limited to any other Boards they may sit on, groups/clubs they have a membership in, organizations/nonprofits they may work for, volunteer with, participate in programming of, etc.

Regards,

Samantha Sweikata
Commissioner of General Services
