Dear Washingtonville Community Members,

The Washingtonville Fire Department is proud to announce that we will be hosting the 2026 Orange County Volunteer Firefighters Association (OCVFA) Parade on Saturday, September 26, 2026.

This is an exciting opportunity for our village. The parade will welcome volunteer fire departments, marching units, and visitors from across Orange County and beyond to celebrate the volunteer fire service and the commitment it represents. It will be a day of pride, tradition, and community spirit.

With an event of this size, we want to be mindful of its impact on our residents. You can expect increased traffic, temporary road closures, and some disruptions throughout the day, particularly along and near the parade route. We understand that this may require extra patience and planning, and we truly appreciate your cooperation as we work to ensure a safe and well-organized event.

We also look forward to welcoming many out-of-town guests to Washingtonville. Your continued support and community pride will help make this a memorable and successful day for everyone involved.

More detailed information about the parade route, parking, road closures, and event timing will be shared as the date approaches.

Thank you for your ongoing support of the Washingtonville Fire Department and the volunteer fire service.

Sincerely,

Thomas Lynn
President, OCVFA
