Application is hereby made to the Building Department for the issuance of a Building Permit pursuant to the New York State Codes and Ordinances of the Village of Washingtonville for the construction of buildings, additions, alterations, or for removal, demolition or use of property, as herein described.

- It is the policy of this department to abandon and destroy, without notification, any application that has been left dormant by the owner or agent thereof for 90 days.
- **Every building permit shall expire if the work authorized has not commenced within six (6) months of issuance of permit (Meaning no inspection performed within the first 6 months) or has not been completed within the allotted expiration data.**
- NO BUILDING/ACCESSORY STRUCTURE SHALL BE OCCUPIED OR USED IN WHOLE OR PART FOR ANY PURPOSE WHATSOEVER UNTIL A CERTIFICATE OF OCCUPANCY OR COMPLIANCE HAS BEEN GRANTED BY THE BUILDING INSPECTOR/CODE ENFORCEMENT OFFICER.

**The applicant has read the above and by signing below agrees to comply with all applicable laws, ordinances, and regulations.**

**PLEASE BE ADVISED:** It is the owner/applicant's responsibility to submit proper paperwork, schedule inspections and re-inspections (if necessary) and to properly close out the permit. A building permit expires one year from the issue date. There will be a \$100.00 fee to close out and issue a CC for an expired permit with all inspections previously complete.

## NEW RESIDENTIAL DWELLINGS

NYS has adopted the International Residential Code and Energy Code and are in effect as of 2015.

Work requiring a building permit shall apply to the construction, alteration, movement, enlargement, replacement, repair, equipment, use and occupancy, location, removal and demolition.

### DESIGN PROFESSIONAL

The Design Professional shall state that his drawings are drawn in compliance with International Residential Code 2015 Edition and the International Energy Code 2015 Edition.

The Design Professional shall state that the design of the building reflects the climatic and geographic Design Criteria of Table, and the Table is to be shown.

The Design Professional is required to certify his design statements by noting specific code sections and noting on the plans the requirement of the Section with noted associated table.

### INSPECTION SCHEDULE

#### 24 HOUR ADVANCE NOTICE IS REQUIRED

- 1) Permitted work shall be required to remain accessible and exposed until inspected and accepted by the Village Engineer, Building Inspector or his/her agent enforcing the uniform code. Permit holder shall be required to notify Building Department when construction work is ready for inspection.
- 2) Provisions shall be made for inspections of the following elements of the construction process, where applicable:
  - a. Footings – forms are free of water, mud, ice, rocks and/or loose soil
  - b. Foundation Walls – prior to pouring
  - c. Footing Drains
  - d. Slab & Underground Plumbing
  - e. Rough Plumbing
  - f. Plumbing Test
  - g. Framing
  - h. Sheathing
  - i. Roof – Ice Shield – prior to shingles
  - j. Insulation & Energy Code Compliance – including duct work
  - k. Sheetrock
  - l. Fire Resistant Penetrations
  - m. Solid fuel Burning Heating Appliances – including chimneys, flues & gas vents
  - n. Prior to Final Inspection:
    - Final Water/Sewer Connection Inspection by Village DPW
    - Final Driveway Inspection by Highway Dept. (if applicable)
    - Final Electrical Certification by Village Authorized Electrical Inspector
  - o. Final Inspection after all work authorized by the Building Inspector has been completed
- 3) After inspection, it is the permit holder/contractor's responsibility to call the Building Dept. to verify approval of final inspection or what work fails to comply with the uniform code. Construction work not in compliance with the code provisions shall be required to remain exposed until it has been brought into compliance with the code, been re-inspected and found to be satisfactory as completed.

**PLEASE BE ADVISED – BUILDING PERMIT APPLICATION MUST BE SUBMITTED COMPLETE WITH ALL REQUIRED PAPERWORK AND FEES. PARTIAL SUBMISSION WILL NOT BE ACCEPTED.**
