

**ARCHITECTURAL REVIEW BOARD
VILLAGE OF WASHINGTONVILLE
9 FAIR LAWN DRIVE, WASHINGTONVILLE, NY 10992**

DECISION

At this meeting of Architectural Review Board the Board recommended the following action on the application of Tobacco Shop Project # ARB 24-01 for new Signage be:

- Approved as submitted
- Approved with modifications stated below:
- Disapproved submitted to the conditions as stated below: (check appropriate line)

Boards's Reasoning:

The application has been approved by the building department as it is up to code. The ARB has reviewed and confirmed this signage upholds the integrity of the approved parameters. The building department needs to validate the tapcon measurement as the application reads 3/8 but the image 3/16.
