

FIRE HYDRANT FLUSHING:

The Village of Washingtonville Department of Public Works and Water Department will be conducting flushing of Fire Hydrants throughout the Village beginning tomorrow, Monday, April 22 and continuing through the week. Residents may notice some discoloration in the water but this should clear up after the tap water has been run. If you have any questions please contact Mayor Thomas DeVinko at 845-849-4523, or Village Hall at 845-496-3221.
