### **BANNER SPECS:**

- Rust-free cast aluminum brackets feature fiberglass arms
- Each arm has a 1° incline to keep the banner from sliding off
- 40" x .5625" (9/16") stainless steel bands hold each bracket in place
- Designed for use with round poles
- Can also be used on square and polygonal poles, but an additional set of stainless-steel bands is recommended
- Includes top and bottom brackets for one banner (two brackets in total)
