BEAVER DAM LAKE - ADVISORY NOTICE

FOR IMMEDIATE RELEASE
Date: 2/3/2025
Release #1

(Goshen, NY) – The Orange County Department of Public Works and Orange County Department of Emergency Services are actively monitoring reports of a dam advisory condition at Beaver Dam Lake dam (Salisbury Mills) in Orange County related to water discharge from a relief drain.

While there is no immediate threat, officials are assessing the situation and are working with the dam's engineers to coordinate response efforts as needed.

Residents in the surrounding area are advised to remain informed by monitoring official updates on Orange County Government social media pages <https://www.facebook.com/OrangeCountyGovernment> and <https://www.facebook.com/OrangeCountyEmergencyManagement> and be ready to follow any safety guidance issued by local authorities. Additional information will be provided as the situation develops.

County Executive Neuhaus and Orange County's Emergency Operations Center (EOC) staff are in contact with our partner agencies and continue to monitor the situation. They are ready to implement any procedures necessary to protect the overall safety of all County residents.

For more information, contact Rebecca Sheehan, Assistant to County Executive, Director of Public Information and Media Relations, at 845.907.2332 or presscontact@orangecountygov.com.
