Village of Washingtonville
March 3, 2025

1 P R O C E E D I N G S

2 ALL: (Pledge)

3 MAYOR TOM DEVINKO: Thank you for
4 joining our March 3rd meeting at 7:00 p.m. So,
5 we'll get started. Any public comment on Agenda
6 Items? Yes, Paul?

7 PAUL LANG: Paul Lang, 10 Patriot Lane.
8 Number 4, the Congressional Grant to Spindler and
9 Highgrove Well?

10 MAYOR TOM DEVINKO: Yes, sir.

11 PAUL LANG: I know we had that
12 conversation -- we had this conversation before.
13 You said, is there a written agreement with that
14 property owner to use the Spindler Well?

15 MAYOR TOM DEVINKO: We are in
16 communication with the Spindler property. It's
17 going to be kind of a multi-faceted approach.
18 So, we've been in touch with DOH. We've had
19 conversations with them. We've met with the
20 owners of Spindler's property. They're in
21 agreement for allowing us to put together a plan
22 for those wells.

23 And we've also been in contact with the
24 Knights of Columbus for a piece of area easement
25 that is next to and near the lift station. And

1 that's kind of what we have at the moment. The
2 idea is to tie the wells together, bring the
3 water across the street.

4 PAUL LANG: Specifically for that
5 property?

6 MAYOR TOM DEVINKO: Yes.

7 PAUL LANG: I mean, it's a
8 Congressional Grant. Is grant money going to go
9 to property that we don't own?

10 MAYOR TOM DEVINKO: Well, that will be
11 worked out --

12 PAUL LANG: Okay.

13 MAYOR TOM DEVINKO: -- as we go through
14 the process. Because they're in favor -- the
15 owner was okay with proceeding.

16 PAUL LANG: I just can't see putting
17 money into it. We already did a \$10,000 repair
18 on something there, you know --

19 MAYOR TOM DEVINKO: Well --

20 PAUL LANG: -- not too long ago.

21 MAYOR TOM DEVINKO: -- as you know, and
22 during your tenure as well, that well is needed.
23 It delivers at least two-thirds of the water for
24 this village in an emergency situation.

25 PAUL LANG: Yeah, I'm just saying.

1 MAYOR TOM DEVINKO: And I'm not --

2 PAUL LANG: It could be needed, but if
3 we don't own it, we'll have to get a permission.

4 MAYOR TOM DEVINKO: The plan would be
5 to have that easement, to have that ability to
6 own it.

7 PAUL LANG: Right.

8 MAYOR TOM DEVINKO: Those details are
9 still obviously being worked out, but we still
10 need to know from the Department of Health that
11 they approve our plan, which is in the process of
12 being written by our engineer.

13 PAUL LANG: And on Number 2 of the
14 first update is, I can't comment on something
15 that's that vague. I don't know what -- you
16 know, is there something that we should know?

17 MAYOR TOM DEVINKO: Just personnel that
18 --

19 PAUL LANG: Right.

20 MAYOR TOM DEVINKO: -- as you know, we
21 had posted a number of different positions. Two
22 have been filled, and we're looking for still an
23 a.m. person for the front desk reception. And
24 we're looking for the water and sewer clerk.

25 So, yeah, she wants to get out of that

1 position. So, those two are still open. We have
2 received a couple of applications, and we're just
3 giving that update.

4 PAUL LANG: Okay.

5 TRUSTEE SUSAN WALSKI: (indiscernible),
6 you will know what your bill is before anybody
7 else.

8 MAYOR TOM DEVINKO: Right. Anything
9 else? Okay. So, moving along right into
10 announcements and discussions. Just first on a
11 security camera update that we've been talking
12 about.

13 Finally, this system is utilizing some
14 of the grant money that was obtained by the
15 police chief in the, I'll say, federal-state
16 grant. I don't remember the exact term. But the
17 \$99,000 is a portion of that was to buy a server,
18 the hardware, initial cameras, et cetera.

19 So, we're happy to report that the
20 server is up and running, installed, and we do
21 have a camera that is currently live. We have
22 three other cameras that are in position, and
23 they're waiting. They have a little connectivity
24 issue, so we're looking for an external antenna
25 for that particular building located at the

1 Memorial Park. So, the sewer plant is online,
2 Memorial Park is next, and we are also planning,
3 obviously, we talked about E.J. Square. The
4 camera's up on there for the intersection and
5 areas around downtown.

6 Our water area, the wells, and our --
7 let's see, VA -- Vernon Allen Park, as well as
8 Woodfield.

9 PAUL LANG: Where the sewer plant is.

10 MAYOR TOM DEVINKO: So, those will be
11 the next targets.

12 PAUL LANG: The sewer plant, is that by
13 the gate?

14 MAYOR TOM DEVINKO: I'm sorry?

15 PAUL LANG: Is that by the gate, by the
16 hydrant, right where you're talking about?

17 MAYOR TOM DEVINKO: It's --

18 PAUL LANG: Did you say sewer plant?

19 MAYOR TOM DEVINKO: It's in -- yeah,
20 it's in the sewer plant area. It's on a pole,
21 and we can see everything we need to see.

22 TRUSTEE SUSAN WALKSI: We can see the
23 gate.

24 MAYOR TOM DEVINKO: We can see the
25 gate. We can see the face at the gate. It is a

1 very good viewable camera.

2 TRUSTEE SUSAN WALSKI: Smile.

3 MAYOR TOM DEVINKO: So, if anybody's
4 there, just give a big smile. Say, hi.

5 TRUSTEE SUSAN WALSKI: It's a good
6 zoom.

7 MAYOR TOM DEVINKO: So, yeah. So,
8 that's --

9 MAN 1: So, I have a question about
10 cameras. Who monitors them, and are they
11 monitored 24/7?

12 MAYOR TOM DEVINKO: They are
13 potentially monitored 24/7. If something comes
14 up, they're running 24/7, they're buffered, and
15 the police department has access to view.

16 MAN 1: I know that one other time they
17 were going to put cameras in, and they said they
18 couldn't put them in because they wouldn't be
19 monitored 24/7.

20 MAYOR TOM DEVINKO: Well, it's not that
21 -- it's not that someone needs to be looking at
22 that camera 24/7. It's just that it's recording.
23 If something was to happen, then they just go
24 back to that time frame, and they'll be able to
25 view it.

1 MAN 1: Okay.

2 MAYOR TOM DEVINKO: If the Internet
3 goes down, that camera also has the ability to
4 buffer and record while if there was an Internet
5 outage of some degree. The length of that, I
6 still need to check on, but it will buffer and
7 still record.

8 TRUSTEE SUSAN WALSKI: Big Brother is
9 watching you.

10 MAN 1: They have been for years.

11 MAYOR TOM DEVINKO: Yeah, why stop now?

12 MAN 2: How long are they recording
13 for? How long are we holding those records for,
14 30 days, 60 days?

15 MAYOR TOM DEVINKO: They're 30 days,
16 and then it wipes, and it keeps recording. It
17 writes over itself.

18 TRUSTEE SUSAN WALSKI: Unless we pull
19 it.

20 MAYOR TOM DEVINKO: Unless there's a
21 need to pull it, yeah. So, that went, you know,
22 fairly well, and -- yeah, so we're very happy
23 that that will occur.

24 And, again, we'll be building off of
25 that system. We can have up to 64 cameras, and

1 we plan on enhancing some of the cameras that
2 were installed in this building as we see fit and
3 need to. Yes, sir?

4 MAN 1: Will that change the policy of
5 water deliveries being taken from a hydrant right
6 there, or are they still required to send
7 pictures and whatnot?

8 MAYOR TOM DEVINKO: They're still
9 required to do what they're doing, and I guess
10 there will be just further discussion on the
11 weekend-type stuff that they would be willing or
12 that they would like to get water on weekends,
13 especially as summer is approaching, and they're
14 busy still hauling water to companies or people
15 that they're hauling to. So, that's, you know,
16 under discussion. It still needs to be
17 discussed.

18 MAN 1: But the policy now is Monday
19 through Friday for our business hours, correct?

20 MAYOR TOM DEVINKO: Correct. Yeah,
21 7:30 to 2:30. And we enhanced the gate by adding
22 an additional lock on it. So, at the end of the
23 day --

24 MAN 1: How many is that, four?

25 MAYOR TOM DEVINKO: Actually, I think

1 it's three. Two are being used. The other, the
2 third one, I'm not quite sure. I never got
3 involved in that. But at least this one, the one
4 that's on there, can't be opened by anybody who
5 thinks they know the lock, okay? So it's a
6 brand-new lock. It's the simplest way to do it.

7 MAN 2: What do the other two locks do?
8 If people have keys to them, they can open the
9 gate with the other two locks.

10 MAYOR TOM DEVINKO: It's a tumbler
11 lock. It's not a key lock.

12 MAN 2: No, I understand there's three
13 locks.

14 MAYOR TOM DEVINKO: Okay.

15 MAN 2: So, they can't open the tumbler
16 lock. What are the other two locks doing? You
17 can open from the other two locks, what's the
18 difference with a third lock on there? Why don't
19 you take the --

20 MAYOR TOM DEVINKO: The third lock is
21 for the company who was pulling the water who had
22 the combination. So, that prevents them by
23 mistake coming down there thinking they can pull
24 water. They won't be able to. They won't be
25 able to open the gate.

1 MAN 2: And they don't have a key to
2 the other two locks?

3 MAYOR TOM DEVINKO: No.

4 MAN 2: Okay.

5 MAYOR TOM DEVINKO: We're trying to
6 keep it, you know, as simple as possible at this
7 point.

8 MAN 2: Well, it's out now with
9 thievery, what they did.]

10 MAYOR TOM DEVINKO: I'm sorry?

11 MAN 2: It's out now with thievery,
12 what they did.

13 MAYOR TOM DEVINKO: Well, they reported
14 it. They didn't steal it.

15 MAN 2: Was the meter on there? Did
16 they send pictures of the meter? Was the meter
17 on the hydrant?

18 MAYOR TOM DEVINKO: No, we took the
19 meter off because it was freezing.

20 MAN 2: Correct.

21 MAYOR TOM DEVINKO: Okay. So --

22 MAN 2: They should have never --

23 MAYOR TOM DEVINKO: -- the five
24 truckloads they took, they took 6,000 gallons.
25 That's the maximum in those trucks.

1 MAN 3: They should have known not to
2 touch it.

3 MAYOR TOM DEVINKO: Well --

4 MAN 3: There was no meter on it.

5 MAYOR TOM DEVINKO: -- that's a given -
6 -

7 MAN 3: (indiscernible)

8 MAYOR TOM DEVINKO: That's a given,
9 when Paul reported it. We didn't know that, and
10 now we have them on camera. If anything happens,
11 we can go back and doublecheck it.

12 MAN 3: Are they being fined other than
13 the price of the water?

14 MAYOR TOM DEVINKO: No. We don't have
15 -- they have permission to take the water. That
16 we already have given them. Before, somebody was
17 there on a Saturday morning, yes, they were aware
18 of it now, spoke to the owner.

19 MAN 2: Well, they had to be aware of
20 it when you made the rules to it.

21 MAYOR TOM DEVINKO: Like I said, I
22 spoke to the owner. The person who was doing it
23 either forgot or -- I can't really say. I'll
24 just say that we spoke to the owner; he made sure
25 and reiterated to the staff that they're not

1 supposed to be there on weekends.

2 And again, to protect ourselves, we put
3 an extra layer of that lock. So, they will not
4 be able to get in.

5 MAN 2: That's not the first time
6 they've been up there.

7 WOMAN 1: And it won't be the last
8 time.

9 MAYOR TOM DEVINKO: Well, there's no
10 way to get there unless they cut it, and then
11 they're fired. So, I don't think he's that --
12 his staff is, you know, that brazen to do
13 something like that. If it was an emergency and
14 someone needed it, they'd call, and then we'd
15 work something out.

16 If we got to sit there because there
17 was that big of an emergency, then they'd pay for
18 the overtime. We'd work it out.

19 MAN 2: And that's all in writing, or
20 is that just verbal?

21 MAYOR TOM DEVINKO: Right now, it would
22 be verbal. We don't have anything in writing for
23 any type of real emergency. But if there was,
24 they would call because there'd be no way for
25 them to get in.

1 MAN 2: I think you should have that
2 posted and have them sign to it.

3 MAYOR TOM DEVINKO: Well --

4 MAN 2: They ignored the first rule,
5 didn't they?

6 MAYOR TOM DEVINKO: We can come up with
7 any agreement. If there's an emergency, we can
8 certainly put some language together to make that
9 happen. I'm not worried or concerned about it.

10 MAN 2: Why don't you preempt it in
11 advance?

12 MAYOR TOM DEVINKO: I said we can.

13 MAN 2: Oh, you would? Okay.

14 MAYOR TOM DEVINKO: Yeah.

15 MAN 2: I thought you were going to do
16 it at the time of the emergency.

17 MAYOR TOM DEVINKO: No, I mean, right
18 now, if there was an emergency, if the town had
19 an issue, we would certainly work with them to
20 give them what they needed in an emergency case.

21 If they had a problem, they would have
22 to call us, and we would have to work it out to
23 say X, Y, and Z. And, you know, we can't
24 sometimes get all the different possibilities
25 that are out there, but we can talk to our

1 attorney, and they can write us an agreement and
2 give them something to do tomorrow. Maybe by the
3 time I leave the meeting, it'll be done and ready
4 for signature.

5 MAN 2: Beautiful. Thank you.

6 TRUSTEE SUSAN WALSKI: No pressure,
7 Chris.

8 MAYOR TOM DEVINKO: Thanks, Chris.

9 MAN 2: Okay.

10 MAYOR TOM DEVINKO: All right. Any
11 other questions? All right. So, we had the
12 update on the camera. We had the update on
13 personnel.

14 The fiscal stress monitoring system, we
15 finally made it up there. We are moderate, which
16 is one step below, I want to say, a disaster.
17 So, this is only recorded on the 2024 preliminary
18 AFR Report. That month, that report that we put
19 out there from us to the State.

20 Everything that we had mentioned, and
21 that Vernon mentioned on there is a presentation
22 that all of those are up to date and we're still,
23 obviously, waiting for the final audits to be
24 completed. And '23 is nearing the end of more
25 additional documentation, and '24 is in motion.

1 So, as soon as that happens, everybody will know
2 what's going on there.

3 TRUSTEE SUSAN WALSKI: I believe --

4 MAYOR TOM DEVINKO: And there is -- I'm
5 sorry?

6 TRUSTEE SUSAN WALSKI: We
7 (indiscernible).

8 MAYOR TOM DEVINKO: Yeah, we can have a
9 reading, which means we're kind of getting close
10 because we'll be wanting to talk to our financial
11 advisors and talk about potentially going to the
12 State and looking for the bond market and asking
13 for a bond rating. So, still to come, but that's
14 kind of the angles and directions we're heading
15 in.

16 Let's see. We talked about the grant
17 that became available. It's estimated we'd
18 probably be in an area of \$2 million to \$2.5
19 million for both wells to be developed. And
20 we'll have more to come on that as we get more
21 information on the grant itself. We do have an
22 agreement with Millennium. That is our grant
23 writing firm that we use, which we will have a
24 resolution on that a little bit later down the
25 road or this evening.

1 Just to touch on a couple of other
2 grants that we've been working on. The Downtown
3 Lighting and Tree Project is still moving
4 forward. We have submitted to DOT a work project
5 for the installation of the lights and the trees.
6 Trees are really not going to be that much of an
7 issue because there were existing trees there, so
8 when you're replacing a tree, it's not like
9 you're installing a brand-new tree. So, that
10 really requires really more information on their
11 DOT permits.

12 Memorial Park, we're -- we still have
13 that \$125,000 grant, and the Lions Club is
14 working on those figures with the vendors that
15 they're working on for that money. We do have,
16 come springtime, there's a number of new park
17 playground equipment that we need to install.
18 So, that'll be happening in the spring.

19 Let's see, what else? We talked
20 already about the Department of Justice cameras;
21 that was a \$99,000 grant. We are becoming a
22 little bit closer with the pedestrian crossing
23 lights. That is about a \$90,000 -- between an
24 \$80,000 and \$90,000 grant. Those are the
25 flashing lights that will enhance our downtown

1 area, especially if we get the DOT approval to
2 install them.

3 This would be at the area of Stewards
4 and the Old Bank of America, because it's very
5 difficult to cross that street, and these cross
6 lights have very bright LED amber signals when
7 someone pushes a button that these things start
8 flashing like crazy, and it does bring to, you
9 know, the people driving their cars to slow down
10 or stop, so they can cross the street. We
11 actually -- the grant is for five of them, and as
12 we mentioned previously, we're going to put
13 potentially the other project would be down
14 across from the Veterans Park and Washingtonville
15 Pharmacy, because we have a lot of people parking
16 their vehicles there, walking across the street,
17 going to the middle school, the high school. So,
18 we'll see what DOT says about that.

19 And then the other remaining ones will
20 be throughout the village. One particularly
21 would be at Ahern and West Street, and then
22 Brotherhood and (indiscernible), and probably one
23 over at the Senior Center on Ahern Boulevard.
24 Those are controlled by us, because they're down
25 on the village roads, so we can kind of

1 manipulate where we want to put those and
2 whatnot.

3 So, that is starting to move along.
4 They've received everything, and it's going
5 through its approval process currently, so we'll
6 see.

7 MAN 3: What grant money is that? Is
8 that money that we already have?

9 MAYOR TOM DEVINKO: No. No, it's money
10 we apply for it.

11 MAN 3: And it's just for those lights
12 itself?

13 MAYOR TOM DEVINKO: Correct.

14 MAN 3: That was a grant for those
15 lights?

16 MAYOR TOM DEVINKO: Yes, for those
17 lights.

18 MAN 3: It has to be used for those
19 lights?

20 MAYOR TOM DEVINKO: Pardon?

21 MAN 3: It has to be used for those
22 lights?

23 MAYOR TOM DEVINKO: Well, the grant
24 went in for that, so yes.

25 MAN 3: Or any kind of traffic, that's

1 what the grant went in for. We have produced
2 what we wanted to use it for?

3 MAYOR TOM DEVINKO: Yes. In other
4 words, it went in for those crossing lights. If
5 by chance, you know, I wanted to change gears and
6 --

7 MAN 3: I just want to know what the
8 criteria was for that money to be used. It
9 wasn't specifically for safety?

10 MAYOR TOM DEVINKO: It was really just
11 for safety. It started out with 94 on Stewart,
12 because every time I would be down there, it was
13 a disaster.

14 MAN 3: So, my comment would be, like,
15 crosswalks. We have -- we already have rules on
16 the books. It's called the field law. Use
17 enforcement as a corrective action, which we
18 don't use.

19 MAYOR TOM DEVINKO: Well, you can't be
20 everywhere, Vinny, and you know that. You're a
21 police officer.

22 MAN 3: I --

23 MAYOR TOM DEVINKO: You can't say that
24 every crosswalk is going to be maintained.

25 MAN 3: (indiscernible)

1 MAYOR TOM DEVINKO: (Indiscernible

2 MAN 3: If I call the police

3 department, there's not one summons down there

4 for yielding in a pedestrian walkway. They're

5 not writing them. Nobody's writing them. And

6 you can sit down there for 10 minutes and just

7 watch, and there'll be a cop on the corner, and

8 nobody's writing that. You've got to use

9 enforcement action.

10 MAYOR TOM DEVINKO: Okay.

11 MAN 3: And that's why we have a police

12 department. Use enforcement action as a

13 corrective action.

14 MAYOR TOM DEVINKO: Yeah.

15 MAN 3: But we're not doing it. And

16 use that money, that safety money, for other

17 things that have to be done within the village,

18 instead of putting up a light at a crosswalk

19 where there's no real law in place.

20 MAYOR TOM DEVINKO: Well, we think that

21 those crosswalks --

22 MAN 3: If there's pavement on the

23 ground or a light blinking, people aren't going

24 to stop.

25 MAYOR TOM DEVINKO: Well, I hate to say

1 that I disagree with that, but I disagree with
2 that.

3 MAN 3: That's like saying --

4 MAYOR TOM DEVINKO: Because I've seen
5 them in Westchester, and I've seen people push
6 those buttons, and people stop. And if they
7 don't stop, and there's an officer there, then,
8 yeah, summonses should be written.

9 But it's also too many people driving
10 around on their phones, not paying attention.

11 MAN 3: Right. And --

12 MAYOR TOM DEVINKO: And if this guy
13 wakes somebody up for that split second so they
14 don't hit a lady crossing the street with a
15 basket, then it's a win-win. And you know what,
16 it's grant money. And I don't take anything
17 lightly with the safety factors.

18 MAN 3: I'm not saying we don't use the
19 money for safety, but for a light that flashes at
20 a crosswalk. There's other things we can do with
21 it.

22 MAYOR TOM DEVINKO: Well -- Paul?

23 PAUL LANG: I kind of agree, because I
24 drive all around Orange County. Go to Warwick,
25 drive down Main Street, somebody steps off the

1 curb, cars come to a screeching halt. It's
2 conditioning. It's the way people are
3 conditioned, because they enforce it out there.
4 It's so much different.

5 Go to Newburgh, you can't cross
6 Broadway. Forget about crossing Broadway, even
7 with the light and turning cars.

8 MAYOR TOM DEVINKO: Yeah.

9 PAUL LANG: But if you go to a place
10 like Warwick, Main Street, somebody steps off the
11 curb, into that crosswalk, cars come to a
12 screeching halt. That's the way, because of
13 enforcement.

14 MAYOR TOM DEVINKO: Yeah.

15 PAUL LANG: Even people opening up the
16 doors. The other thing, on the crosswalk by the
17 Old Village parking lot, we had the DOT. We were
18 with the DOT at that location when Benny's was
19 there --

20 MAYOR TOM DEVINKO: Mm hmm.

21 PAUL LANG: -- looking to get a
22 crosswalk there.

23 MAYOR TOM DEVINKO: Right.

24 PAUL LANG: Is it there?

25 MAYOR TOM DEVINKO: No.

1 PAUL LANG: We're still waiting for it.

2 MAYOR TOM DEVINKO: Okay.

3 PAUL LANG: They said they wouldn't do
4 it, because it wasn't at an intersection or at a
5 corner.

6 MAYOR TOM DEVINKO: Right.

7 PAUL LANG: But meanwhile, down by the
8 high school, you've got, what, three crosswalks?

9 MAYOR TOM DEVINKO: Yeah, there's --

10 PAUL LANG: But they wouldn't, you
11 know, the person from the DOT indicated that they
12 wouldn't put one there because it was in the
13 middle of nowhere.

14 MAYOR TOM DEVINKO: Yeah, okay. Do you
15 know when you put that application in?

16 PAUL LANG: Oh, my God. It was '19 --
17 2019, '20.

18 MAYOR TOM DEVINKO: Do you know who you
19 did for?

20 PAUL LANG: I'm trying to think of a
21 woman's name. She had beautiful nails.

22 MAYOR TOM DEVINKO: Oh, wonderful.

23 PAUL LANG: That's all I can remember
24 about her.

25 MAYOR TOM DEVINKO: Let me ask. Let me

1 see.

2 PAUL LANG: She got the hard hat on,
3 and --

4 MAYOR TOM DEVINKO: Probably only about
5 14,000 people --

6 PAUL LANG: She got the hard hat on,
7 and she's got the vest and everything else, and
8 her nails were like \$800 nails. It was
9 unbelievable.

10 MAYOR TOM DEVINKO: All right.

11 PAUL LANG: That's all I can say.

12 MAYOR TOM DEVINKO: We'll note that,
13 too.

14 PAUL LANG: A young -- a young female.

15 MAYOR TOM DEVINKO: Was her first name
16 (indiscernible), by any chance?

17 PAUL LANG: That's right. That's who
18 it was, yes.

19 MAYOR TOM DEVINKO: Okay.

20 MAN 3: You recognize the nails, too,
21 Tom?

22 MAYOR TOM DEVINKO: Actually, I never
23 met her. She's the only person I know that's --

24 PAUL LANG: That's exactly who it was.

25 MAYOR TOM DEVINKO: Besides a bunch of

1 guys in --

2 PAUL LANG: She must do the area. That
3 was her name. That was it.

4 TRUSTEE SUSAN WALSKI: (indiscernible)

5 MAYOR TOM DEVINKO: Okay. So, we'll go
6 with (indiscernible). Actually, I did email her.
7 I hear, though, she was retiring. She was in the
8 nail business, I think. We'll see where that
9 goes. All right, cool.

10 Let's see. The grants, I'm not quite
11 sure if they're finished. We also sent --

12 DEPUTY MAYOR DONNA JACARUSO:
13 (indiscernible)

14 MAYOR TOM DEVINKO: Is it on your list?

15 TRUSTEE VERNON COLEMAN: No, I didn't.
16 I'd have to (indiscernible)

17 MAYOR TOM DEVINKO: No, you didn't get
18 it yet.

19 TRUSTEE VERNON COLEMAN:
20 (indiscernible)

21 MAYOR TOM DEVINKO: So, we'll wait on
22 that.

23 TRUSTEE VERNON COLEMAN:
24 (indiscernible)

25 DEPUTY MAYOR DONNA JACARUSO:

1 (indiscernible)

2 MAYOR TOM DEVINKO: Yeah.

3 DEPUTY MAYOR DONNA JACARUSO: That's a
4 \$4.25 million grant to revitalize our downtown.

5 MAN 1: We didn't hear what you were
6 saying.

7 DEPUTY MAYOR DONNA JACARUSO: Oh, okay.
8 It's called -- I mentioned this to you. It's
9 called New York Forward.

10 MAN 1: Okay.

11 DEPUTY MAYOR DONNA JACARUSO: It's a
12 revitalization grant from the State that offers
13 \$4.5 million for revitalization of the downtown.
14 It's not open enrollment yet. I believe it -- I
15 don't know when it opens. I know we've been
16 talking about it closes in September.

17 MAYOR TOM DEVINKO: September, I think.

18 DEPUTY MAYOR DONNA JACARUSO: It closed
19 in September. But regardless --

20 MAYOR TOM DEVINKO: (indiscernible)

21 DEPUTY MAYOR DONNA JACARUSO: We do
22 have to form a committee for that, and we will.
23 But we definitely are interested in that one.
24 We're very good candidates for it, especially
25 since we're just -- we have to revise

1 comprehensive on it.

2 MAYOR TOM DEVINKO: Okay. Yeah, we'll
3 compare all this and then be working on it.

4 TRUSTEE VERNON COLEMAN:
5 (indiscernible)

6 MAYOR TOM DEVINKO: I didn't see it.

7 TRUSTEE VERNON COLEMAN:
8 (indiscernible)

9 MAYOR TOM DEVINKO: Oh, okay. We'll
10 check. Just a couple other ones that we're
11 working on. The Orange County Tourism is the
12 \$4,999 grant. And we also have Orange County
13 Legislation grant for \$4,999 as well. Greene
14 County Bank is a \$9,000 grant that we're working
15 to -- I believe that one was for the Sewell Park
16 project. And the other ones were -- one was for
17 our fireworks.

18 TRUSTEE VERNON COLEMAN: And then the
19 others --

20 MAYOR TOM DEVINKO: And then we have
21 Lowes grant for upgrading and doing windows and
22 doors at our police department. So, we'll give
23 you that combined list, and we'll keep you
24 updated as the grants come through.

25 Let's see. The DMV was here today.

1 Tremendous lines all day long, so it's really a
2 big hit in our village. And I think they're
3 trying to hopefully get us every month. Right
4 now, I think we're almost every other. But it's
5 a really, really good turnout.

6 Next is just a reminder to shop local,
7 everybody. You know, it's -- I know it's real
8 easy to get in a car and drive someplace else,
9 but we have a lot of new stores opening, and it
10 would be really nice for everybody to think
11 downtown first before you jump in the car, or you
12 may be hit the computer to order things.

13 So, for an example, we have a new
14 flower shop at 16 East Main Street. We have Body
15 by Julia that's over at the Brotherhood Mall.
16 Prizmatica, that we've already mentioned; gifts
17 and really beautiful stuff is in the Old Chase
18 Bank. The Greek food has been opened down for a
19 little bit. The food there has been real good.
20 We're also -- there's a new baker called the Five
21 Foot Baker, which will be coming in behind the
22 Washingtonville Pharmacy area where Anna's used
23 to be. So, there'll be a baker back there coming
24 soon. And Amada's who is currently on East Main
25 Street, will be opening up the restaurant over at

1 Fulton Square. I think they're trying to open a
2 soft opening potentially this Wednesday. And
3 they're still going to keep their original
4 location downgraded to like a taco bar kind of a
5 place, so --

6 TRUSTEE SUSAN WALSKI: With 10 percent
7 off if you order online.

8 MAYOR TOM DEVINKO: Oh, yeah? So, if
9 everybody could think about that, again, shop
10 local would be really, really appreciated for
11 everybody down there.

12 PAUL LANG: Did you ever talk to the
13 gas stations?

14 MAYOR TOM DEVINKO: Excuse me?

15 PAUL LANG: Did you ever talk to the
16 gas stations? You remember that conversation we
17 had at that meeting? I mean, I'm going to go --
18 I'm going to go Bill's gate and get gas for 25
19 cents a gallon.

20 MAYOR TOM DEVINKO: Yeah, and --

21 PAUL LANG: It's cheaper than over
22 here.

23 MAYOR TOM DEVINKO: I think it was
24 mentioned by Dylan. The conversation was gas
25 prices between here and 329.

1 MAN 4: I was here for that.

2 MAYOR TOM DEVINKO: Right.

3 MAN 4: Yeah.

4 MAYOR TOM DEVINKO: And that there is
5 no --

6 PAUL LANG: It's not gouging.

7 MAYOR TOM DEVINKO: -- ceiling.

8 MAN 4: Yeah, there's a price gouging
9 law, but this --

10 MAYOR TOM DEVINKO: Right.

11 MAN 4: -- falls nowhere close to the
12 price gouging.

13 MAN 3: They're just --

14 MAN 4: Ultimately --

15 MAN 3: -- screwing the Village
16 residents. That's what they're doing.

17 MAYOR TOM DEVINKO: Mm hmm.

18 MAN 4: But there's no law that
19 prevents them from doing that.

20 MAYOR TOM DEVINKO: Yeah.

21 MAN 3: But we just talked about
22 shopping local.

23 MAN 4: Right.

24 MAN 3: If they want me to shop local -
25 -

1 MAN 4: Mm hmm.

2 MAN 3: -- you know, if the gas
3 stations want me to shop local, I shop local.

4 MAN 4: I hear ya.

5 MAN 3: Not for gas.

6 WOMAN 1: Can I say something about
7 that? As far as shopping local there, they are
8 making some efforts not on the gas, but you
9 pulled me aside the other day and said you'd like
10 to do some advertising because they're going to
11 accept some nice new food there and they want to
12 do things with it.

13 [OVERLAPPING SPEAKERS]

14 WOMAN 1: And the people that work
15 inside --

16 MAN 3: If I went for gas, I would go
17 inside.

18 DEPUTY MAYOR DONNA JACARUSO: Who
19 pulled you aside? We didn't hear.

20 WOMAN 1: The --

21 MAYOR TOM DEVINKO: The A Plus?

22 MAN 2: Local?

23 WOMAN 1: A plus.

24 MAYOR TOM DEVINKO: Okay.

25 DEPUTY MAYOR DONNA JACARUSO: And said

1 what?

2 WOMAN 1: He'd like to do some
3 advertising in the new food section that he's
4 going to do -- that's going to offer a lot of new
5 things.

6 MAYOR TOM DEVINKO: Oh.

7 WOMAN 1: You guys in there working
8 hard --

9 TRUSTEE STEVE PRESSER: And --

10 WOMAN 1: -- and I don't think that has
11 anything to do with the prices of gas.

12 DEPUTY MAYOR DONNA JACARUSO: I mean, I
13 had a conversation with the owner, and he was
14 redoing the signage there. And I was told that
15 he had no control over those prices.

16 MAN 2: Somebody is -- somebody does.

17 DEPUTY MAYOR DONNA JACARUSO: It wasn't
18 him.

19 MAYOR TOM DEVINKO: Gary, I mean, we
20 all see the prices and we all know where to go,
21 what you got to buy.

22 MAN 2: Yep.

23 MAYOR TOM DEVINKO: I mean, it's as
24 simple as that. If everybody was the same price
25 across the board, it'd make it easy. When Jersey

1 was \$0.25, \$0.30, \$0.40 less than New York,
2 where'd we go?

3 MAN 2: Right.

4 MAYOR TOM DEVINKO: We'd go down to
5 Jersey and fill up, so -- and up here it was a
6 dollar more, if not more, so --

7 TRUSTEE SUSAN WALSKI: It's like
8 driving to (indiscernible) to get gas without
9 ethanol in it.

10 MAYOR TOM DEVINKO: It's one of those
11 unregulated/regulated things that we got to deal
12 with. And then, you know, consumer beware. All
13 right. So, again, back to the local shops.
14 Again, just think about your downtown areas and
15 please support them.

16 Next is the New York Heat Act. It's a
17 Senate Bill S as in Sam,, 2016 and A is amended.
18 Now, I don't know if anybody follows this stuff
19 online, but someone sent me an email in regards
20 to this. It's the Senator Krueger, if I'm
21 pronouncing it correctly. And feel free to go on
22 there and search it yourselves.

23 But the bottom line on this bill, it
24 looks like they're trying to end natural gas. It
25 sounds like through New York State. And the bill

1 talks about eliminating gas hookups for
2 homeowners. And the bottom line is there's more
3 regulations in here about the gas hookups, but it
4 just -- the flavor of this just tends to be
5 natural gas going away. So, I emailed her, asked
6 her specifically, because I told her my house,
7 I'm electric, I have oil heat, and my bill has
8 gone up two and a half times. So, not a natural
9 gas user, and how is this going to help me at the
10 end of the day when I'm already paying two and a
11 half times more than I was a couple of years ago.

12 So, again, it's S2016A. Check that
13 yourself. It appears, from what I was able to
14 see, that the Senate has already voted to
15 approve. Assembly still has it in their
16 discussion area. It hasn't moved forward.

17 MAN 1: They haven't learned their
18 lesson after closing Indian Point. There's far
19 more restrictions.

20 MAYOR TOM DEVINKO: Yeah.

21 MAN 1: There's far more.

22 MAYOR TOM DEVINKO: Yeah.

23 MAN 1: (indiscernible)

24 MAYOR TOM DEVINKO: So, just to give
25 you guys a heads up on that, a little bit more

1 State information.

2 The other thing I'll just mention that
3 I put on last second, it's really just an update
4 on ITC, our phone vendor. Our new phone system
5 potentially will be installed on the 11th and
6 12th, if we get the update from the reporting of
7 the numbers -- did they change that?

8 TRUSTEE VERNON COLEMAN: March 25th.

9 MAYOR TOM DEVINKO: March 25th. So,
10 scratch that. All right. So, I guess Frontier
11 couldn't port everything over. And then, we have
12 elections coming up, and we didn't want anything
13 going on that week, and their installation team
14 was doing another install, and the guy was on
15 vacation.

16 So, bottom line is now we're moving to
17 the 25th. So, things will happen at that point
18 in time. We'll have a new voice over IP system,
19 and the one that we have, we'll have to put in
20 the museum because the thing is probably 40-years
21 old.

22 So, with that, we'll move on to
23 resolutions. Resolution 25-0038, to authorize
24 general Village elections to be held on Tuesday,
25 March 18, 2025, at the single Village-wide

1 Election District Polling Place located at the
2 Village Wall, 9 Fairlawn Drive, Washingtonville,
3 New York. The polls will be open from 12:00 p.m.
4 to 9:00 p.m. Do we have a motion?

5 TRUSTEE STEVE PRESSER: Motion.

6 MAYOR TOM DEVINKO: Steve on the
7 motion. Second?

8 DEPUTY MAYOR DONNA JACARUSO: Second.

9 MAYOR TOM DEVINKO: All right. Any
10 questions, comments? All in favor?

11 ALL: Aye.

12 MAYOR TOM DEVINKO: And as everyone
13 knows, the Village Wall, there'll be no meeting
14 that Monday because they're preparing this room
15 for the election on Tuesday. If we decide to
16 have a meeting, it probably will be the following
17 Monday, just as a FYI.

18 Resolution 25-0039 appoints the
19 following individuals as election inspectors for
20 March 18, 2025, Village of Washingtonville
21 elections. We have Linda Amato, Sylvia Stukes,
22 John Donaldson, Jacqueline Harris, and Maria
23 Lazzo.

24 Do we have a motion?

25 TRUSTEE STEVE PRESSER: Motion.

1 MAYOR TOM DEVINKO: Any questions,
2 comments? All in favor?

3 ALL: Aye.

4 MAYOR TOM DEVINKO: Motion passes.
5 Thank you.

6 Resolution 25-0040 to accept 2025-2026
7 Village Property Vehicle Equipment Insurance
8 Proposal from Village Insurance Agent Marshall M.
9 Sterling at a total cost of \$222,541.61, and the
10 2024-'25 cost was \$209,435.45. Do we have a
11 motion, please?

12 TRUSTEE STEVE PRESSER: Motion.

13 MAYOR TOM DEVINKO: Steve. Second?

14 TRUSTEE SUSAN WALSKI: Second.

15 MAYOR TOM DEVINKO: Susan. Questions,
16 comments? All in favor?

17 ALL: Aye.

18 MAYOR TOM DEVINKO: Motion passes.
19 Thank you.

20 Next, Resolution 25-0041 to accept the
21 price quotation from DMS Technical Design LLC for
22 a fire alarm monitoring fee, which includes an
23 annual inspection for a five-year period at a
24 cost not to exceed \$2,750. That would be the
25 cost of \$550 per year.

1 Do we have a motion?

2 TRUSTEE STEVE PRESSER: Motion.

3 MAYOR TOM DEVINKO: Steve. Second?

4 TRUSTEE VERNON COLEMAN: Second.

5 MAYOR TOM DEVINKO: Vernon. Any
6 questions, comments? All in favor?

7 ALL: Aye.

8 MAYOR TOM DEVINKO: Motion passes.
9 Thank you.

10 Next is Resolution 25-0042 to approve
11 the Architecture Review Board application for the
12 Five Foot Baker LLC sign application. Do we have
13 a motion?

14 DEPUTY MAYOR DONNA JACARUSO: Motion.

15 TRUSTEE STEVE PRESSER: Second.

16 MAYOR TOM DEVINKO: Any questions,
17 comments?

18 TRUSTEE SUSAN WALSKI: I'd --

19 MAYOR TOM DEVINKO: Susan?

20 DEPUTY MAYOR DONNA JACARUSO: Well,
21 with contingencies, there are a couple of things
22 that were omitted from here. This is what we
23 talked about earlier, the Five Foot Baker going
24 into where the (indiscernible). They're
25 following the -- they chose to follow same sign

1 as what everything else in the Orange Bagel Plaza
2 or in Pharmacy.

3 MAYOR TOM DEVINKO: (indiscernible)

4 DEPUTY MAYOR DONNA JACARUSO: So, the
5 sign will be the same. The only thing that was
6 missing was we requested that they document the
7 finish on there so there's nothing, like, no
8 bright, no semi-gloss or gloss paints for
9 reflection. So, that it's not on there, but
10 they're following what's already there.

11 So, we can assume it won't be a high-
12 gloss finish, but we don't want to assume, so
13 we'll reach out and make sure that's the case.
14 And then also the -- possibly the material, I
15 don't know, there's some possible discrepancy in
16 the material. What they chose is permitted.
17 Some say that what's there now is wood; they do
18 not mention wood here. DuraBond instead, so
19 either way we'll try to find it.

20 Other than that, it will be installed
21 the same way also as the other signs
22 (indiscernible).

23 MAYOR TOM DEVINKO: Any other
24 modifications? So, with those being newly noted,
25 they'll be followed up. Do we have any other

1 questions on the motion? We have a second. All
2 in favor?

3 ALL: Aye.

4 MAYOR TOM DEVINKO: Donna, are you
5 going to take the lead on that?

6 DEPUTY MAYOR DONNA JACARUSO: Yeah.

7 MAYOR TOM DEVINKO: Okay. Resolution
8 250043 to authorize Millennium Strategies to
9 submit grant applications for the U.S.
10 Congressional Directed Spending Grant Program for
11 spending on well development to the Village Water
12 System and development of (indiscernible) wells
13 at a fee of \$2,500. Do we have a motion?

14 TRUSTEE STEVE PRESSER: Motion.

15 TRUSTEE VERNON COLEMAN: Second.

16 MAYOR TOM DEVINKO: Motion by Steve,
17 second by Vernon. Any other questions, comments?
18 All in favor?

19 ALL: Aye.

20 MAYOR TOM DEVINKO: Motion passes.
21 Thank you.

22 Resolution 250044 to accept the
23 resignation of Village part-time clerk John Orman
24 with regrets effective today, March 3, 2025. Do
25 we have a motion?

1 TRUSTEE STEVE PRESSER: Motion.

2 MAYOR TOM DEVINKO: Steve. Second?

3 TRUSTEE SUSAN WALSKI: Second.

4 MAYOR TOM DEVINKO: Any questions,
5 comments? All in favor?

6 ALL: Aye.

7 MAYOR TOM DEVINKO: Motion passes.
8 Resolution 250045 to authorize Amanda to execute
9 consulting agreement with P&D Consulting
10 Engineers regarding sewer plan for filters. Can
11 I have a motion, please?

12 TRUSTEE SUSAN WALSKI: Motion.

13 TRUSTEE VERNON COLEMAN: Second.

14 MAYOR TOM DEVINKO: Susan on the
15 motion. Second from Vernon. Any questions,
16 comments? All in favor?

17 ALL: Aye.

18 MAYOR TOM DEVINKO: Motion passes.
19 Thank you.

20 Next is Resolution 250046 to authorize
21 the Village treasurer to collect and receive
22 Village tax warrant payments for the 2025-2026
23 Village fiscal year. Do we have a motion?

24 DEPUTY MAYOR DONNA JACARUSO: Motion.

25 TRUSTEE STEVE PRESSER: Second.

1 MAYOR TOM DEVINKO: Donna and second is
2 Steve. Any other questions, comments? All in
3 favor?

4 ALL: Aye.

5 MAYOR TOM DEVINKO: Motion passes.
6 Thank you.

7 Resolution 250047 to accept bid amount
8 for the Absolute Auction and Realty Company in
9 the amount of \$4,700 for the surplus 2016 Ford
10 Explorer Policing Sector Utility Vehicle. Do we
11 have a motion?

12 TRUSTEE STEVE PRESSER: Motion.

13 MAYOR TOM DEVINKO: Steve. Do I have a
14 second?

15 TRUSTEE VERNON COLEMAN: Second.

16 MAYOR TOM DEVINKO: Seconded, Vernon.
17 Any questions, comments? All in favor?

18 ALL: Aye.

19 MAYOR TOM DEVINKO: Motion passes.

20 Next is Resolution 250048 to authorize the budget
21 transfers, amendments necessary to effect the
22 necessary transfers of funds into paid Village
23 warrants. Do we have a motion?

24 TRUSTEE STEVE PRESSER: Motion.

25 DEPUTY MAYOR DONNA JACARUSO: Second.

1 MAYOR TOM DEVINKO: Steve. Donna has
2 the second. Any questions or comments? All in
3 favor?

4 ALL: Aye.

5 MAYOR TOM DEVINKO: Okay. And as we've
6 been doing as of late, the total coming out of
7 the general fund is \$115,324.05. Out of the
8 water fund, \$29,197.72. Out of the sewer fund,
9 \$35,617.36. Out of the capital fund, is \$11,500.
10 That's for the Memorial Camera System. Okay.
11 That concludes that.

12 Public comment? Sean?

13 MAN 4: I have three questions and one
14 suggestion.

15 MAYOR TOM DEVINKO: Okay.

16 MAN 4: One is how many hydrants are
17 out of service? Right now there's two in a row
18 on Decker. That's an emergency situation. The
19 next hydrant is very far away. I pulled in one
20 of the hydrants on Decker last Saturday.

21 MAYOR TOM DEVINKO: Mm hmm.

22 MAN 4: They put a black bag over it.
23 I didn't go by again until today. The water is
24 still coming out of it. It was never properly
25 shut off. They shut it in the street or are they

1 just tightening the caps?

2 MAYOR TOM DEVINKO: No, they shut it
3 off in the street. So, it might be a problem
4 with the valve on the --

5 MAN 4: When did they shut it off?

6 MAYOR TOM DEVINKO: When we were
7 notified by the homeowners.

8 MAN 4: Well, it was still running last
9 Saturday when I pulled it in.

10 MAYOR TOM DEVINKO: Okay. So, when
11 they went to shut it down, they would shut it
12 down in the street. And obviously, there must be
13 an issue with that valve to the hydrant that's
14 not closing 100 percent.

15 MAN 4: It was still running today.

16 MAYOR TOM DEVINKO: Yeah. We're aware
17 of it. We've ordered -- now, we're probably
18 looking at six hydrants that need to be replaced
19 and that's obviously a priority as well.

20 MAN 4: There's no way to get an inter-
21 municipal agreement to borrow parts until -- the
22 next hydrant is far away from the first one
23 that's out.

24 MAYOR TOM DEVINKO: Yeah, we actually
25 have the hydrant. It's a matter of getting a

1 back truck in there and we were trying to save
2 five grand or so, and if the Town's back truck
3 was available. If it's not, we're going to have
4 to go out and rent it, so be it, at the end of
5 the day.

6 MAN 4: Safety first.

7 MAYOR TOM DEVINKO: Some are backable,
8 some are we can do it a backup. That one just
9 happens to be a back-truck job. So, we'll get
10 that, you know? But we have two there, we have
11 208. I think there's one on Tower Hill, one in
12 Somerset. The other one in Decker which is just
13 down from the one that froze and cracked.

14 We have two hydrants on Lincoln and
15 Clinton that we're working on that are showing
16 low pressure. All of them have been reported to
17 the emergency services, so they're all well aware
18 of it. And if there's an issue, obviously they
19 come in with tankers. If it's a day
20 (indiscernible), generally speaking, you usually
21 have three tunnels through three fire departments
22 responding.

23 So, you know, I'm confident that
24 everybody will be safe, but you know, we got to
25 get it fixed. And the ground being frozen

1 doesn't help the situation, but it'll be where we
2 want it to be. Thank you, I appreciate it.

3 MAN 4: The other question is who is
4 responsible for the upkeep of the Memorial trees
5 on the hill?

6 MAYOR TOM DEVINKO: That's a good
7 question because I look at that sometimes, and I
8 don't know if anybody's ever maintained those
9 trees. In other words, cut them back?

10 MAN 4: No, no, no. The ones that were
11 just put in.

12 MAYOR TOM DEVINKO: Oh, the new ones
13 that were put in?

14 MAN 4: Yeah.

15 MAYOR TOM DEVINKO: Who's going to
16 maintain them? We will.

17 MAN 4: Oh, okay. So, you'll maintain
18 the trees, but you won't maintain the benches?

19 MAYOR TOM DEVINKO: No, we're going to
20 maintain the benches too.

21 MAN 4: Okay. But you told me you
22 wouldn't maintain the marble bench that was on
23 the hill?

24 MAYOR TOM DEVINKO: Yeah, we need --
25 yeah, as soon as it warms up and we know what

1 we've got, we're going to take care of that.

2 MAN 4: Okay.

3 MAYOR TOM DEVINKO: And if it needs --
4 if that's the one bench, or the benches, or a
5 bench that needs the concrete footings, we're
6 going to put them in.

7 MAN 4: They should all have it.

8 MAYOR TOM DEVINKO: Yeah.

9 MAN 4: But as far as the trees, if
10 people want to decorate them, they should have,
11 like, two weeks after the holiday, or the
12 birthday, or something. There's still Christmas
13 decorations up there, there's lights strung in
14 the trees.

15 MAYOR TOM DEVINKO: Mm hmm.

16 MAN 4: It doesn't look right. Plus,
17 they're going to start blooming soon.

18 MAYOR TOM DEVINKO: Mm hmm.

19 MAN 4: Then they're going to be stuck
20 -- the staff will be stuck with it.

21 MAYOR TOM DEVINKO: They'll be taken
22 down.

23 MAN 4: The Village should send out a
24 CTY, maybe two or three days before they go
25 around with the chipper. People don't know. It

1 used to be the last month -- week in the month.
2 Now, they could be any time. But I understand
3 it's windy, so maybe send out the CTY; we're
4 going to be coming around the chipper next week
5 on Tuesday, Wednesday, Thursday.

6 MAYOR TOM DEVINKO: Yeah, that's a good
7 thought, because I did get a couple of calls
8 today saying people had some limbs and stuff from
9 --

10 MAN 4: They were out two days last
11 week.

12 MAYOR TOM DEVINKO: -- last weekend.
13 And that we could -- we'll go out with the
14 chipper.

15 MAN 4: But it should only be going out
16 once a month, like it used to.

17 MAYOR TOM DEVINKO: I'm sorry?

18 MAN 4: It should only go out once a
19 month.

20 MAYOR TOM DEVINKO: Well, it usually
21 goes out, I believe it's the last week of the
22 month.

23 MAN 4: But it's out all different
24 times.

25 MAYOR TOM DEVINKO: But in cases when

1 if it's like this, and there's a storm and stuff
2 comes down, then we go back out.

3 MAN 4: But that's what I'm saying.
4 That's when you should send out the CTY; we're
5 coming out, have it ready.

6 MAYOR TOM DEVINKO: Exactly.

7 MAN 4: Now, you're saying they're
8 pulling today, they were out two days last week.

9 MAYOR TOM DEVINKO: Yeah, but that was
10 before this past weekend's wind. So, it's just
11 another event. So, what I'm going to -- what
12 I've asked the guy to do is tell me a couple of
13 people on Capitol, so whatever happened, maybe a
14 little more windy on Capitol. Why don't -- I
15 already put a text out to Chris, and just to
16 advise him we have more of this, and we'll pick a
17 day and then we'll go out, and I think Wednesday
18 and Thursday is rain.

19 So, you know, we'll find a day to go
20 out, but we'll give everybody a couple of days'
21 notice to get the wood on the curb.

22 MAN 4: And the last one is, I think in
23 the budget there was \$25,000 to \$26,000 in it for
24 DPW training. Don't they get training from the
25 Union Hall? I mean, what training were they

1 going to get with that \$25,000?

2 MAYOR TOM DEVINKO: There is some
3 training that we do get from the Union Hall that
4 has been free.

5 MAN 4: Right. Usually, it's mandatory
6 when you join that you go through your
7 apprenticeship and go to training.

8 MAYOR TOM DEVINKO: Well, the gentlemen
9 that work for us now, and there are various
10 trades, right, so they come aboard as laborers,
11 and they basically do everything. So, as classes
12 come up and we offer that, we also have offered
13 CDL training for the guys and, you know, kind of
14 pushing them to do it, because it only betters
15 them, and at the end of the day, the Village can,
16 you know, slide away from all the pickup trucks
17 that they were buying to do the heavy lifting,
18 and we can get ourselves into a position to
19 potentially go after grant money for trucks that
20 are now costing \$350,000, which would be all-axle
21 things that could carry the asphalt, that can
22 connect to the machines that drop the asphalt.

23 Currently, we don't have that ability,
24 and so we timeshare, we've asked, Montgomery
25 helps us, Blooming Grove helps us, Cornwall's

1 helped us, so you know, that's what communities
2 do when helping each other out, because there is
3 some cost savings behind that.

4 MAN 4: Well, maybe when you're hiring,
5 which you've hired a lot recently, a lot of
6 employees, a lot of people you've hired, maybe
7 that should be a stipulation of employment, you
8 need a CDL.

9 MAYOR TOM DEVINKO: It's in our
10 hosting.

11 MAN 4: But you're hiring without that?

12 MAYOR TOM DEVINKO: We have hired
13 because we waited for people to come along with
14 CDLs, and maybe CDL drivers are making \$40 or \$50
15 an hour, we're obviously not offering that type
16 of salary. So, what we try to do, hire good
17 quality people, which we have, and then ask them,
18 and push them into some degree to take your CDL
19 licensing.

20 MAN 4: (indiscernible)

21 MAYOR TOM DEVINKO: Right, and that
22 would have to be done within potentially their
23 union contract to say, listen, within a year's
24 time -- and we already have that with
25 promotionals. Guys who are in lead positions, if

1 they don't act upon getting their CDL license
2 after a year, they lose their position. So, we
3 have a -- you know --

4 MAN 4: There should be a money
5 incentive, I believe too.

6 MAYOR TOM DEVINKO: There is.

7 MAN 4: (indiscernible)

8 MAYOR TOM DEVINKO: We're paying \$1.50
9 for a CDL.

10 TRUSTEE STEVE PRESSER: No, \$3.

11 MAYOR TOM DEVINKO: \$3?

12 MAN 4: Now, there is --

13 TRUSTEE STEVE PRESSER: For the working
14 leader.

15 MAYOR TOM DEVINKO: Yeah, for the
16 working leader. And then for somebody getting a
17 CDL, there's an incentive for it.

18 MAN 4: Okay.

19 MAYOR TOM DEVINKO: I agree. Yeah,
20 it's frustrating because we put it out there, we
21 ask for it, but, you know, when we come in and we
22 just ask the, you know, like the one guy we were
23 interviewing somebody right now doesn't have CDL,
24 but I will get my CDL because that's how bad he
25 wants the job.

1 TRUSTEE SUSAN WALSKI: And we did hire
2 somebody with a CDL.

3 MAYOR TOM DEVINKO: And did hire
4 somebody with a CDL. So, we have three with CDLs
5 and I'd say eight without. But, again, with the
6 stipulation, go get it. The money is there to be
7 trained, and you need to be with us for a period
8 of time so that, you know, we're not a training
9 platform to have you shift and go find another
10 job. So, we just -- you know, we're working
11 towards that.

12 If you know of anybody, let us know.

13 Yes, sir?

14 PAUL LANG: Oh, okay. So, you say
15 you're offering the CDL training. Does that look
16 at \$25,000? How do you offer the CDL training?
17 Do you outsource it?

18 MAYOR TOM DEVINKO: Well, it is --
19 there's schools that they have to go to in order
20 to become CDL certified.

21 PAUL LANG: That's about \$3,000?

22 MAYOR TOM DEVINKO: Right.

23 TRUSTEE SUSAN WALSKI: It's more than
24 that these days, Paul.

25 PAUL LANG: I know it is.

1 MAYOR TOM DEVINKO: Yeah.

2 PAUL LANG: I know it is. I know very
3 well it is. But it's entry-level driver training
4 and you're not a training provider. So, you
5 can't train anymore.

6 MAYOR TOM DEVINKO: No, they have to go
7 to schools.

8 PAUL LANG: Yeah.

9 MAYOR TOM DEVINKO: Yeah. Yeah, we
10 know that.

11 PAUL LANG: So, is that what that
12 \$25,000 is for? Is that the training that we're
13 buying as a CDL?

14 MAYOR TOM DEVINKO: (indiscernible) to
15 take the class --

16 PAUL LANG: It's a lot of money.

17 MAYOR TOM DEVINKO: Yeah.

18 PAUL LANG: I agree that that should be
19 --

20 MAYOR TOM DEVINKO: Yeah.

21 PAUL LANG: Okay. Police contract,
22 ratified?

23 MAYOR TOM DEVINKO: No.

24 PAUL LANG: What? No?

25 MAYOR TOM DEVINKO: No.

1 PAUL LANG: What are we waiting for,
2 the next contract?

3 MAYOR TOM DEVINKO: We're still in that
4 next contract mode. We're dealing with the --

5 PAUL LANG: I thought you said it was
6 all done?

7 MAYOR TOM DEVINKO: Just one
8 stipulation, two stipulations, and it's with the
9 attorneys.

10 PAUL LANG: It sounds like impasse to
11 me.

12 MAYOR TOM DEVINKO: Potentially.

13 PAUL LANG: How about the well? How
14 are the wells doing?

15 MAYOR TOM DEVINKO: 26.

16 PAUL LANG: 26?

17 MAYOR TOM DEVINKO: 26 and a couple
18 inches, and the other one is 27, I think.

19 PAUL LANG: We're still using the 30.
20 We're still using the cutoff at 30?

21 MAYOR TOM DEVINKO: Yes.

22 PAUL LANG: For sales?

23 MAYOR TOM DEVINKO: Yeah.

24 PAUL LANG: I was listening to Jesse
25 Dwyer today. Supervisor.

1 MAYOR TOM DEVINKO: Who were you
2 listening to?

3 PAUL LANG: Jesse Dwyer.

4 MAYOR TOM DEVINKO: Oh.

5 PAUL LANG: A supervisor down in
6 (indiscernible). Something maybe to look forward
7 to going down the road. They lease -- they
8 lease, so Enterprise. He's going through
9 Enterprise specifically for police cars. And I
10 heard that the county already rents most leases,
11 most of their cars, a lot of their cars from
12 Enterprise.

13 MAYOR TOM DEVINKO: Mm hmm.

14 PAUL LANG: That may be something to
15 look forward -- look at going down the road to
16 see if you could save a couple bucks, or -- I
17 mean, the way we -- you know, we turn over police
18 cars pretty quick. And, you know --

19 MAYOR TOM DEVINKO: Well, the ones we
20 just turned over were 2014s.

21 PAUL LANG: Well, that's good --

22 MAYOR TOM DEVINKO: They've been around
23 --

24 PAUL LANG: -- but I'm saying -- that's
25 what I'm saying.

1 MAYOR TOM DEVINKO: Covering around
2 100,000 miles. And the one we just auctioned off
3 tonight has a bad transmission.

4 MAN 4: So, you might have -- you might
5 be able to get better equipment.

6 MAYOR TOM DEVINKO: Yeah.

7 MAN 4: You have to look at both sides
8 of it, you know?

9 MAYOR TOM DEVINKO: Yeah, and --

10 MAN 4: Yeah, you're not paying for
11 maintenance.

12 MAYOR TOM DEVINKO: I know -- I'm just
13 trying to remember. And I know you guys were
14 leasing some -- you guys were leasing cars,
15 right? 2017, '18, '19 area, you had two --

16 MAN 4: Well --

17 MAYOR TOM DEVINKO: You guys were
18 leasing at least one or two cars a year. And it
19 was usually three-year leases.

20 MAN 4: Leased cars?

21 MAYOR TOM DEVINKO: Yeah, leased.

22 MAN 4: Which ones?

23 MAYOR TOM DEVINKO: The numbers of the
24 cars? I don't know.

25 MAN 4: Which cars?

1 MAYOR TOM DEVINKO: I could check in
2 with Brian. I've seen them --

3 MAN 4: You mean police cars?

4 MAYOR TOM DEVINKO: Police cars, yes.

5 MAN 4: I don't know. I don't recall
6 that.

7 MAYOR TOM DEVINKO: Yeah. I mean, at
8 the end of the day, it's the bottom line, so is
9 that --

10 MAN 4: Yeah, that's what I'm saying.
11 Something to look at.

12 MAYOR TOM DEVINKO: -- something more
13 effective than buying?

14 MAN 4: It's something to look at.

15 MAYOR TOM DEVINKO: Well, you know,
16 currently again with that grant money that we
17 have, the chief has put in for two police cars.
18 So, we'll be able to retire, again, two older
19 cars that are in the 90s.

20 MAN 4: Now, when did the police
21 contract expire?

22 MAYOR TOM DEVINKO: '23?

23 TRUSTEE STEVE PRESSER: (indiscernible)

24 MAYOR TOM DEVINKO: I'm sorry?

25 TRUSTEE STEVE PRESSER: This year?

1 MAYOR TOM DEVINKO: '24?

2 TRUSTEE STEVE PRESSER: The end of
3 March of '24.

4 MAYOR TOM DEVINKO: '24.

5 MAN 4: March of '24?

6 DEPUTY MAYOR DONNA JACARUSO: About a
7 year.

8 MAYOR TOM DEVINKO: Yeah, about a year.

9 MAN 4: Almost there, about a year?
10 Oh.

11 MAYOR TOM DEVINKO: Yeah, and it's only
12 a couple of sticking points. So, we actually --
13 we emailed them today.

14 MAN 4: Is one of those sticking points
15 the abolishment clause?

16 MAYOR TOM DEVINKO: Sorry?

17 MAN 4: Is one of those sticking points
18 the abolishment clause?

19 MAYOR TOM DEVINKO: I don't know. Can
20 I answer that, Chris?

21 MAN 6: I would not answer that.

22 MAYOR TOM DEVINKO: I can't answer
23 that, sir.

24 [OVERLAPPING SPEAKERS]

25 MAN 6: I don't know what the answer

1 is, but I'm going to instruct you not to answer
2 that.

3 MAYOR TOM DEVINKO: Hi.

4 WOMAN 3: Hi. Sewell Park?

5 MAYOR TOM DEVINKO: Yes.

6 WOMAN 3: That committee asked me to
7 check with you whether or not -- how was FEMA
8 doing on that, and if there's not going to be an
9 ability for a (indiscernible) or something there
10 for a band this year, they've been offered by Ted
11 Cruz to build one over at (indiscernible) across.

12 MAYOR TOM DEVINKO: Yeah, he -- I was
13 talking to the event committee last week. I
14 guess they had their meeting, and then we had
15 actually a meeting that Steve and I went to to
16 just talk to them about a couple of things.

17 They mentioned Ken potentially building
18 a kind of -- I don't know what you want to call
19 it, a band, a stand, I guess, for entertainment.
20 And I just got an email from him today, and I'm
21 going to reach out to him tomorrow and see what,
22 you know, what he's thinking. Because I know he
23 built that structure, altar, whatever you want to
24 call it, at the St. Mary's.

25 So, if it's something similar to that,

1 or, you know, whatever other things. I know
2 right now just what we had is basically plywood
3 on a -- on, you know, a couple of frames, and
4 that was like kind of the bandstand area. But at
5 Sewell Park, there is still plans for some type
6 of -- it'll be stone, because we don't want it
7 being potentially washed away. And it's off --
8 it's not on the floodway, it's not on the
9 floodplain.

10 So, it's off that fringed area that
11 FEMA would be kind of nervous about. So, that
12 plan is still moving along. I know that there's
13 been some meetings for fundraisers for the park.
14 As you know, we're putting in for some grant
15 money to see if anything can come up. And then
16 we're just looking for volunteers -- volunteers
17 to, you know, build it. Because at the end of
18 the day, it's a pretty simple park, except for
19 the structure that would be potentially where a
20 band would be playing from, you know?

21 But, you know, it's trees, it's an open
22 grassed area, low ground level, butterfly, bird
23 sanctuary kind of plants, and just a real easy,
24 nice place to go and relax, and to listen to
25 music potentially on weekends.

1 WOMAN 3: Also, if we're ever going to
2 get to a point where there could be like real
3 festivals, close enough to the center of Village
4 to help businesses, I'm due to have a meeting
5 with Steve Newhouse. Every time I turn around,
6 he's either overseas, or there's a fire
7 someplace, and --

8 MAYOR TOM DEVINKO: Yeah.

9 WOMAN 3: -- we just got to get the
10 time set up. The work that I've been doing to
11 help support the Schunnemunk Rail Trail.

12 MAYOR TOM DEVINKO: Mm hmm.

13 WOMAN 3: And it occurred to me that,
14 and I mentioned it to Bonnie Franson, if there's
15 any possibility in the world that the county
16 would be interested in at least sharing the
17 Spindler's property and building, and supposedly
18 Brotherhood is leasing at least some of it, I
19 don't know how much.

20 MAYOR TOM DEVINKO: Yeah.

21 WOMAN 3: And there might be a
22 connection -- or a connection with just a short
23 easement that could have some really great stuff
24 going on there that's very close to the trail.

25 MAYOR TOM DEVINKO: Yeah.

1 WOMAN 3: So, that's one of the things
2 I'm going to mention to him, and I'm going to ask
3 if -- I'd like to get entitled to do this work
4 and maybe a small grant to be a Schunnemunk Trail
5 ambassador.

6 MAYOR TOM DEVINKO: Right.

7 WOMAN 3: You've got to have -- the
8 county has (indiscernible) and assistance all
9 over the rest of the county, and I'm here.

10 MAYOR TOM DEVINKO: Yeah. I heard the
11 other day, Chris, they had a waterpipe break in
12 the building, and there's two people that rent
13 one of the spheres. And I don't remember the
14 name of the other --

15 TRUSTEE SUSAN WALSKI: Isn't Danny
16 Hennessey working there?

17 TRUSTEE STEVE PRESSER: (indiscernible)

18 MAYOR TOM DEVINKO: Well, Prolific
19 Winery is in there, and I thought he said there
20 was another company in there. Hennessey, I know
21 uses the old post office area.

22 TRUSTEE SUSAN WALSKI: Yeah.

23 MAYOR TOM DEVINKO: But, yeah, I mean,
24 good to check out.

25 WOMAN 3: Well, and another

1 (indiscernible) I mean, can we look for
2 Brotherhood to keep apprised of that, to
3 participate in that to bring us there?

4 MAYOR TOM DEVINKO: Yeah. Yeah,
5 depending on, you know, the owner uses it as a
6 stop cap for a transportation hub, I'll call it.
7 I believe he's a tractor trailer kind of guy. He
8 has trucks in and out of there. I think he also
9 leases some spaces to truckers. So, yeah,
10 whatever I can do to help get some information
11 for you, if you're going to meet with Steve, let
12 me know. I'd be happy to help you.

13 WOMAN 3: Bonnie had suggested me
14 taking a walk just to see what the layout is
15 between the building and the trail. I'm a little
16 hesitant about going on private property without
17 getting permission from somebody.

18 DEPUTY MAYOR DONNA JACARUSO: I'll give
19 you permission.

20 MAYOR TOM DEVINKO: There you go. How
21 about we try to -- we'll get you the owner's
22 name, we'll track him down. I think we have a
23 phone number because we were able to reach him
24 when the pipe broke in his building.

25 WOMAN 3: Perfect, thanks.

1 MAYOR TOM DEVINKO: So, we can give you
2 that information. If you want to give me a buzz
3 tomorrow, all right, I'll get you the name.

4 Yeah, Ben?

5 MAN 4: Do we have a date on the comp
6 zoning plan?

7 DEPUTY MAYOR DONNA JACARUSO: Yeah, I
8 gave the whole timeline at the last meeting.

9 MAN 4: Yeah, well, tomorrow we're
10 going to see the actual physical zoning.

11 DEPUTY MAYOR DONNA JACARUSO: Oh, the
12 zoning?

13 MAN 4: Yes.

14 DEPUTY MAYOR DONNA JACARUSO: The
15 zoning, we just received it last week. Remember
16 when I was giving the timeline information, I
17 said we would like at least 10 to 14 days to
18 review it because then there could be revisions
19 having to be made again.

20 MAN 4: Okay.

21 DEPUTY MAYOR DONNA JACARUSO: And then
22 it gets released.

23 MAN 4: And that will be released
24 online?

25 DEPUTY MAYOR DONNA JACARUSO: Yep.

1 MAN 4: And when was that? What are we
2 talking about?

3 DEPUTY MAYOR DONNA JACARUSO: Off the
4 top of my head, I'm --

5 MAN 4: March?

6 DEPUTY MAYOR DONNA JACARUSO: -- I want
7 to say --

8 MAN 4: We're in March.

9 DEPUTY MAYOR DONNA JACARUSO: -- the
10 end of March.

11 MAN 4: Okay.

12 MAYOR TOM DEVINKO: At the end of
13 March.

14 DEPUTY MAYOR DONNA JACARUSO: Because
15 then by mid -- early --

16 MAYOR TOM DEVINKO: The end of April --

17 DEPUTY MAYOR DONNA JACARUSO: -- April,
18 we would have a public hearing.

19 MAYOR TOM DEVINKO: Right.

20 DEPUTY MAYOR DONNA JACARUSO: And it
21 could be put -- everything done by the end of
22 April.

23 MAN 4: Okay.

24 DEPUTY MAYOR DONNA JACARUSO: So, you
25 know, it gets --

1 TRUSTEE SUSAN WALSKI: Adopted.

2 DEPUTY MAYOR DONNA JACARUSO: --
3 adopted.

4 MAN 4: Oh, we'll see before it gets
5 adopted, right?

6 DEPUTY MAYOR DONNA JACARUSO: Oh,
7 absolutely.

8 MAN 4: I know it was brought up last
9 meeting about the snow, the way we clear snow
10 with all the surface now, how we're pushing it to
11 the outside and pushing it up on people's lawns.

12 MAYOR TOM DEVINKO: Mm hmm.

13 MAN 4: Snow melted on my lawn this
14 past 50-degree weather. I got piles of asphalt,
15 stone, rock, soil, and for someone who pays a lot
16 of money for water who has a sprinkler system
17 that can actually pay and use, you know, it's
18 costly.

19 And we should just go back to the way
20 it was built. We were pushing it in the middle,
21 sweep the stuff up and bring it out.

22 MAYOR TOM DEVINKO: Yeah, I spoke to
23 Chris about the I think the example of bull
24 burlap. So, yeah. It was saving time, but if
25 we're causing issues then we don't want to be

1 doing that anymore.

2 MAN 4: Water sales. How are we doing
3 with that this year so far? Where are we at in
4 sales and how much -- you know, how much have you
5 brought in?

6 TRUSTEE SUSAN WALSKI: We got a check
7 today.

8 MAYOR TOM DEVINKO: Oh, we got a check
9 I think today for \$17,000 or \$18,000. I can give
10 you the -- I'll email you the figures tomorrow,
11 but as you know we didn't do anything. I think
12 we stopped in -- halfway through November, we
13 didn't do anything in December, and then we
14 started back up in January. So, I can -- I think
15 we're all in the \$17,000, \$18,000 time frame.

16 MAN 4: And in speaking of CDLs, this
17 is a great opportunity to push these guys to get
18 a CDL. I went on United Rentals and did it for a
19 year; tractor and tanker, \$80,000 for the year,
20 all right. The amount of money that we would
21 generate for the Village would be substantial
22 outside of just selling the water third-party
23 wholesale.

24 So, it's another avenue to look at
25 revenue for this Village.

1 MAYOR TOM DEVINKO: From United
2 Rentals, it was how much?

3 MAN 4: \$80,000, tractor and tanker.

4 MAYOR TOM DEVINKO: To rent?

5 MAN 4: Yep, for the year.

6 TRUSTEE STEVE PRESSER: Did they supply
7 any insurance, or --

8 MAN 4: I just put it in. I'm sure
9 it's like a rental cost, you know?

10 TRUSTEE SUSAN WALSKI: And then, do you
11 know much is the state license?

12 TRUSTEE STEVE PRESSER: Then you got a
13 salary, you got benefits.

14 MAN 4: If you already have a CDL
15 employee working for the DPW, his main function
16 could be delivering water when they need water.

17 MAYOR TOM DEVINKO: Yeah.

18 MAN 4: I mean, that's a lot of money
19 that he's charging the Village -- South of Monroe
20 spends a lot of money paying those guys. We're
21 selling it at wholesale.

22 MAYOR TOM DEVINKO: Okay.

23 MAN 4: It's a revenue generating
24 (indiscernible).

25 MAYOR TOM DEVINKO: Interesting

1 thought. We just don't know, you know, how long
2 Spindler's going to be doing that, and if it
3 wasn't -- if it was, like, a month-to-month type
4 of thing, that's one thing. Tractor-trailer is a
5 Class A.

6 MAN 4: Yep.

7 MAYOR TOM DEVINKO: So, that's a
8 totally different animal to some degree, but we
9 do have A-class drivers.

10 MAN 4: So, you know, it's an
11 opportunity to generate more revenue for the
12 Village. It's just an idea. Look at it, do the
13 numbers.

14 MAYOR TOM DEVINKO: Yeah.

15 MAN 4: And I'm sure it's going to work
16 in our favor in the long run. Speaking of the
17 telephone message, is it possible -- you know, I
18 know we've got the same people here every
19 meeting. Just put it out there, the day of,
20 maybe the day afternoon, like, it's a really
21 important meeting, to leave a telephone message?

22 MAYOR TOM DEVINKO: Sure.

23 MAN 3: We're lonely.

24 MAYOR TOM DEVINKO: Bring a friend.

25 MAN 4: Why'd you look at me?

1 MAN 3: Make it a dress-down Monday on
2 Christmas Eve.

3 MAYOR TOM DEVINKO: Yeah.

4 DEPUTY MAYOR DONNA JACARUSO: I put the
5 link to our website, our official Facebook page,
6 and our YouTube channel. It was in the letter
7 that went to every resident in their tax bill.

8 MAN 4: Yeah, but not everybody gets a
9 tax bill if you have an escrow. I didn't get
10 that letter.

11 DEPUTY MAYOR DONNA JACARUSO: Oh.

12 MAN 4: If you don't get the tax bill
13 in the mail, you're not going to get the letter.

14 MAYOR TOM DEVINKO: That's true.

15 DEPUTY MAYOR DONNA JACARUSO: Mm hmm.

16 TRUSTEE STEVE PRESSER: That's true.

17 DEPUTY MAYOR DONNA JACARUSO:

18 (indiscernible)

19 MAYOR TOM DEVINKO: We have close to
20 1,000; I think.

21 DEPUTY MAYOR DONNA JACARUSO: About
22 1,000, yeah.

23 MAYOR TOM DEVINKO: Yeah.

24 DEPUTY MAYOR DONNA JACARUSO: I've done
25 that once before, last year.

1 MAYOR TOM DEVINKO: Yeah.

2 DEPUTY MAYOR DONNA JACARUSO: And I
3 will say, there was a little bit of a surge in
4 followers on the Facebook page.

5 MAN 4: What about a phone call
6 (indiscernible).

7 DEPUTY MAYOR DONNA JACARUSO: We've
8 done it for certain public hearings, you know.

9 TRUSTEE STEVE PRESSER: You've also got
10 to remember, not everybody signed up for it
11 either. No matter what you do, there's always
12 somebody.

13 MAYOR TOM DEVINKO: We'll send it out,
14 that's easy enough. Anything else?

15 MAN 3: I just have one question. The
16 \$222,000 for the insurance, do you have a budget?

17 MAYOR TOM DEVINKO: Yeah.

18 MAN 3: Okay.

19 MAYOR TOM DEVINKO: Yeah, it didn't --

20 MAN 3: One other thing, thank you for
21 the DMV. It was nice to not have to go to
22 Newburgh or --

23 MAYOR TOM DEVINKO: Yeah, it is nice.

24 TRUSTEE STEVE PRESSER: Quick, very
25 quick.

1 MAYOR TOM DEVINKO: Yeah.

2 TRUSTEE SUSAN WALSKI: Just easier.

3 MAYOR TOM DEVINKO: Okay.

4 MAN 3: Last question. The grant
5 writing company that we used; we've been using
6 them for a while?

7 DEPUTY MAYOR DONNA JACARUSO: We have.

8 MAYOR TOM DEVINKO: We've had them for
9 about two years.

10 MAN 3: What's the cost of what we pay
11 and how much have we gotten back? What's the
12 ratio there?

13 MAYOR TOM DEVINKO: It's a -- we pay
14 them \$400 for prescription and we have access to
15 all the website information. And Vernon and I
16 were talking about this a little bit this morning
17 -- this afternoon, and I'd really have to get
18 back to you. I don't recall. I think we used
19 the name.

20 MAN 3: This is Millennium Strategy,
21 right?

22 TRUSTEE VERNON COLEMAN: Yes.

23 MAYOR TOM DEVINKO: Strategy, yes.

24 MAN 3: So what's the \$2,500 now to pay
25 for this one?

1 MAYOR TOM DEVINKO: That's the --

2 TRUSTEE VERNON COLEMAN: That's the fee
3 to write the grant.

4 MAN 3: Oh, to write the grant? So,
5 you use them to write the grant as well?

6 MAYOR TOM DEVINKO: Correct. Yeah.

7 TRUSTEE SUSAN WALSKI: And that usually
8 gets paid out when you get it.

9 MAYOR TOM DEVINKO: Right.

10 MAN 3: That's allowable?

11 MAYOR TOM DEVINKO: Mm hmm.

12 TRUSTEE SUSAN WALSKI: Yes.

13 MAYOR TOM DEVINKO: Anybody else? If
14 not, could I have a motion to go into executive
15 session?

16 DEPUTY MAYOR DONNA JACARUSO: Personnel
17 matters motion.

18 TRUSTEE VERNON COLEMAN: Second.

19 MAN 4: Are you coming back?

20 MAYOR TOM DEVINKO: Yeah, we'll be
21 back, but no decisions. But if you want a status
22 --

23 DEPUTY MAYOR DONNA JACARUSO: We'll go
24 back and close the meeting.

25 MAYOR TOM DEVINKO: Thank you. Have a

1 good night.

2 MAN 3: Have a good night.

3 MAYOR TOM DEVINKO: You too.
